

Tuan X giving more than just music

Written by Alaina L. Lewis

Hip-hop artist and philanthropist Tuan X is spreading his infectious brand of hip-hop music via summer tour aptly titled The Blackman Tour.

The Blackman Tour speaks to the lyrical purging of this burgeoning artist's past, pain and darkness, while cruising on a personal journey towards light and opportunity. Boasting a presentation equipped with a cunning lyrical style, coupled with vocal ingenuity, this in demand indie artist is making waves up and down the east coast. He's currently gearing up to make stops at an array of venues spread out from New York to Washington, D.C. and beyond.

"The Blackman Tour is my release. The shedding of my past, my pain, my darkness, sharing it and allowing in the light of my present and beginning the unrelenting and unwavering focus on my future," said Tuan X.

The Brooklyn native is definitely not your everyday rapper, which makes him a refreshing delight to any eardrum. His music is a tasty stew of conscious hip-hop, kissed with quaint storylines of love, lust, freedom and fearlessness.
