Mayoral Candidate and former City Council President Jackie Cherryhomes greeted residents and supporters at the grand opening of her new campaign headquarters on Friday, June 21.

"I envision my campaign headquarters as a place where all Minneapolis residents will be able to stop by and engage in a discussion about how to move this city forward," said Cherryhomes. "I am glad my campaign volunteers and staff members will finally have a place where they can share our vision for a new Minneapolis."

In addition to opening its campaign headquarters, the Cherryhomes Campaign officially announced its campaign co-chairs. Former City Councilmember Kathleen O'Brien, prominent local attorney Walter Rockenstein and State Senator Bobby Joe Champion were named as campaign co-chairs.

Senator Champion was on hand to meet with residents. "Jackie has a great vision and strategy for improving our quality of life. She is a great friend and I am proud to be a co-chair of her campaign," Senator Champion said.

The Campaign Headquarters is located 410 West Lake Street, Minneapolis Minnesota. The campaign can be reached at www.cherryhomesformayor.com or by email Jackie@cherryhomesformayor.com or
